Agenda

1. Portfolio & Services
2. Architecture Integration
3. Solutions Delivery Approach

Agenda

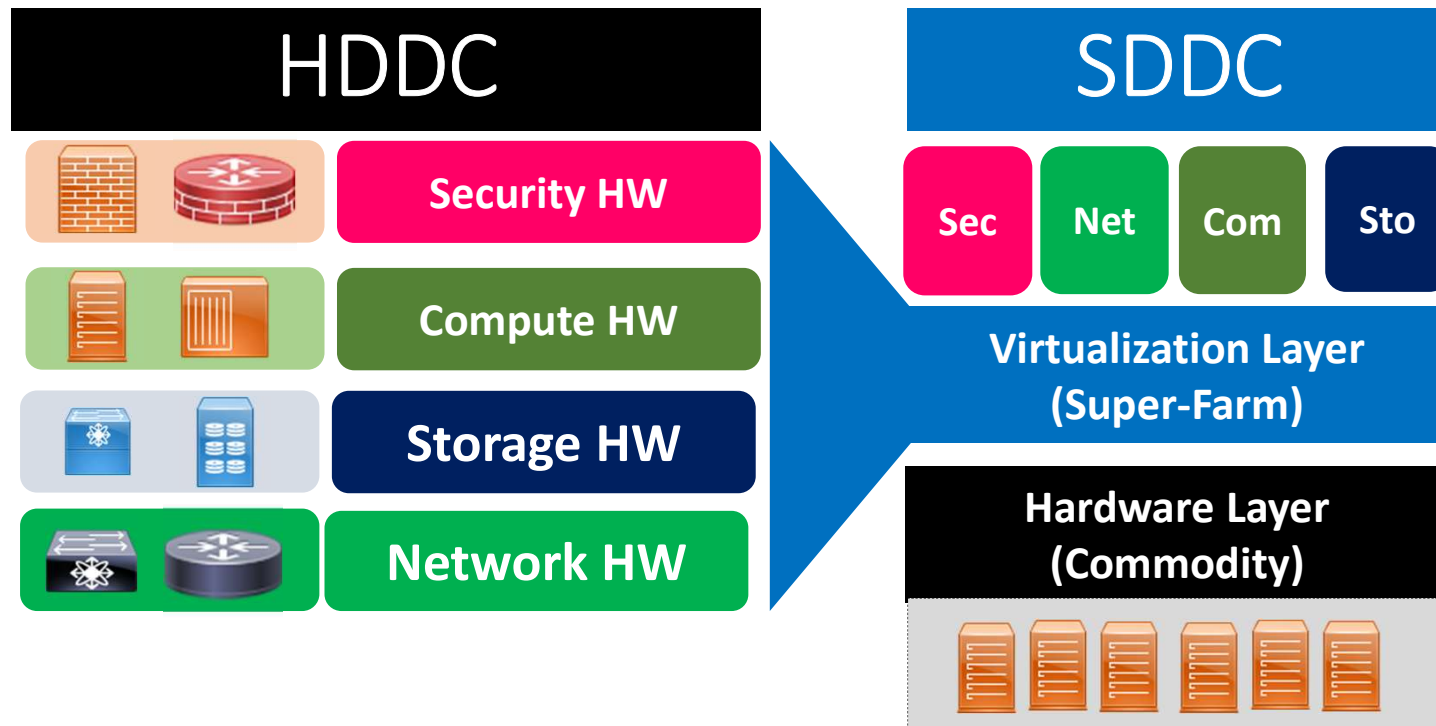

- 1. Portfolio & Services**
2. Architecture Integration
3. Solutions Delivery Approach

Portfolio & Services

- **HW/SW Infrastructure Provisioning (Boxed)**
 - Compute
 - Network (Implicit)
 - Storage
 - Backup / Disaster Recovery
- **Brandend / Certified Solutions (Only)**

Hard/Software Defined Data Center

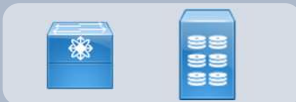

Hardware Defined Anything (HDx)

HDx

Compute HW

Storage HW

Vendors

Certified SAP S4/HANA Hardware

<https://www.sap.com/dmc/exp/2014-09-02-hana-hardware/enEN/appliances.html#>

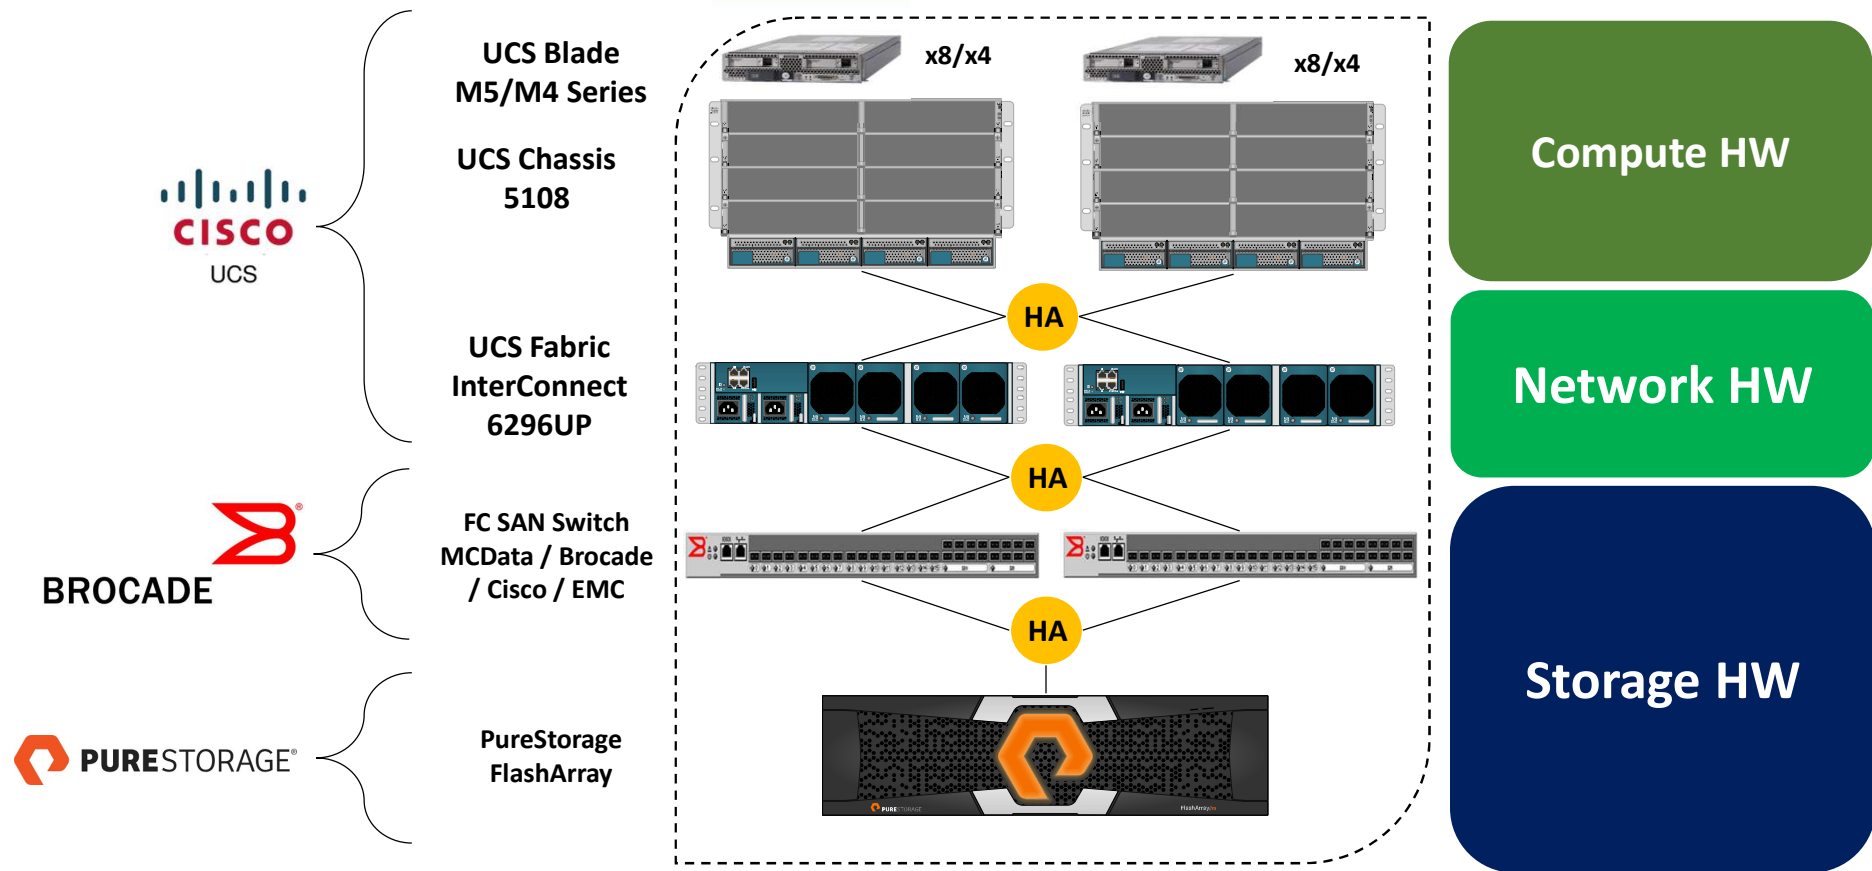

Vendor	Model	CPUs min.	CPU Architecture	Appliance Type	Memory	
Cisco Systems Inc.	UCS B200 M5	2	Intel Skylake SP	Scale-up: BWoH/BW4H	192 GB	✓
					384 GB	✓
					768 GB	✓
					1.5 TB	✓
				Scale-up: SoH/S4H	3 TB	✓

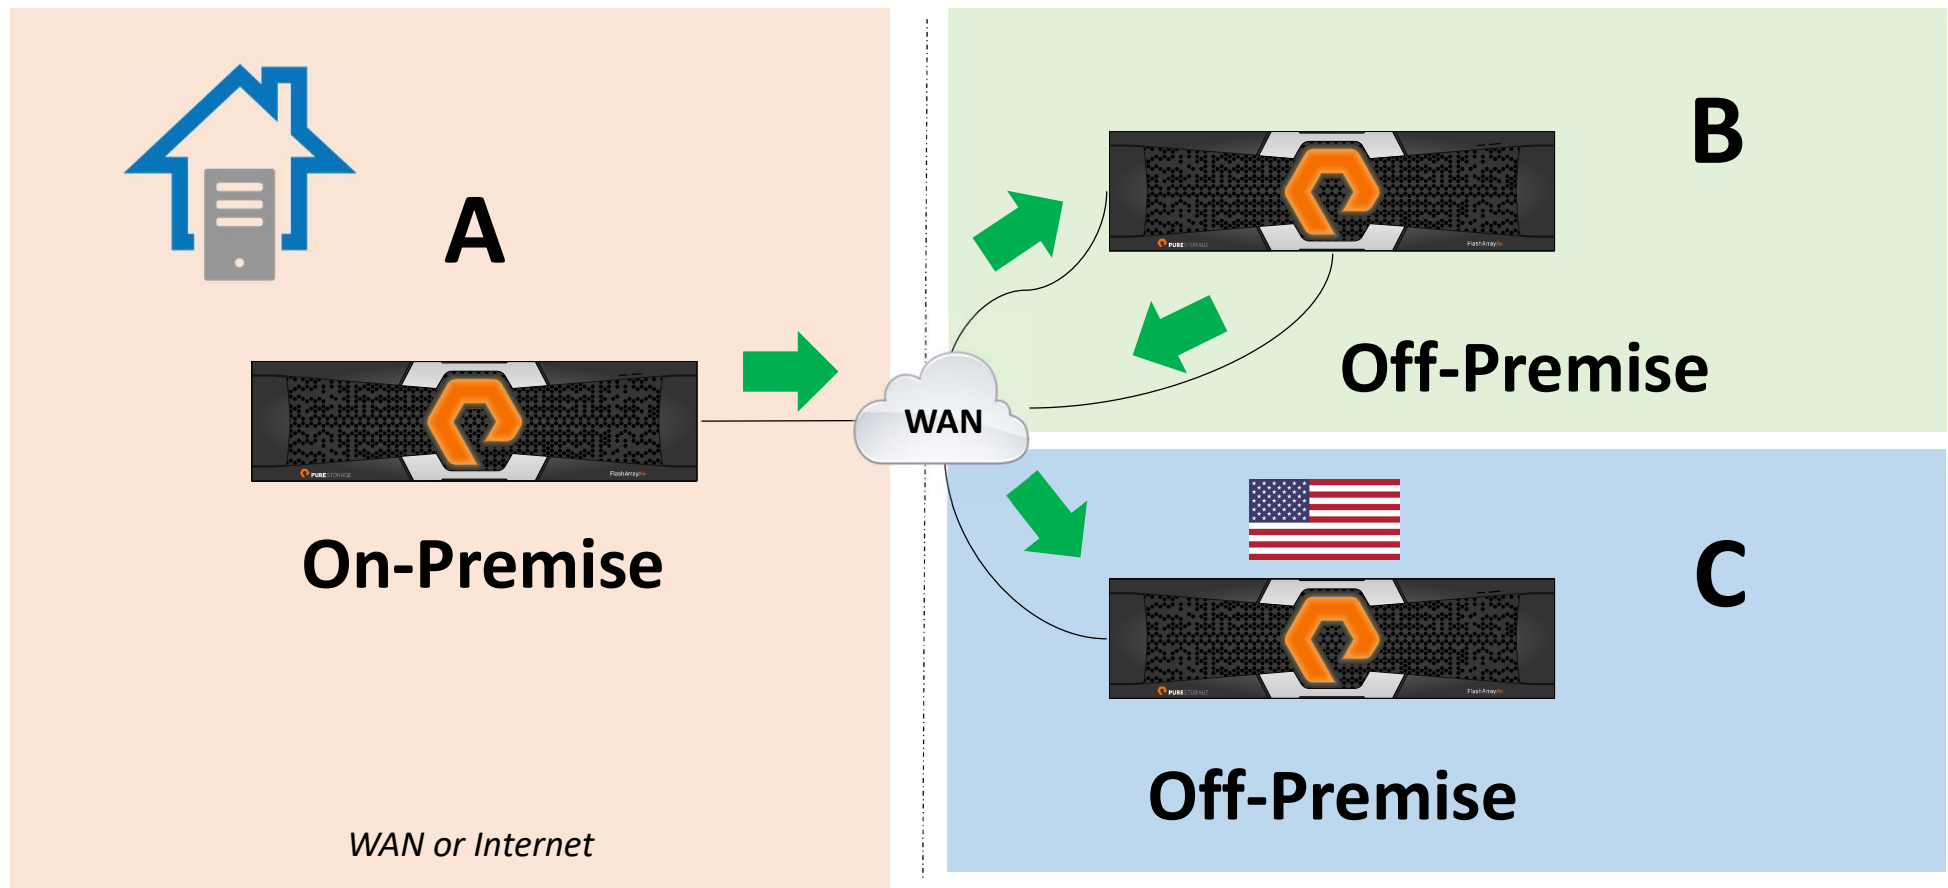

Vendor	Storage Solution	Storage Family	Storage Connector
Pure Storage Inc.	FlashArray //X 70	FlashArray //X 70	SAN - Fibre Channel
Pure Storage Inc.	FlashArray //X R2	FlashArray //X10 R2 (see more)	SAN - Fibre Channel
Pure Storage Inc.	FlashArray//m R2	FlashArray//m10 R2 (see more)	SAN - Fibre Channel

Hardware Architecture

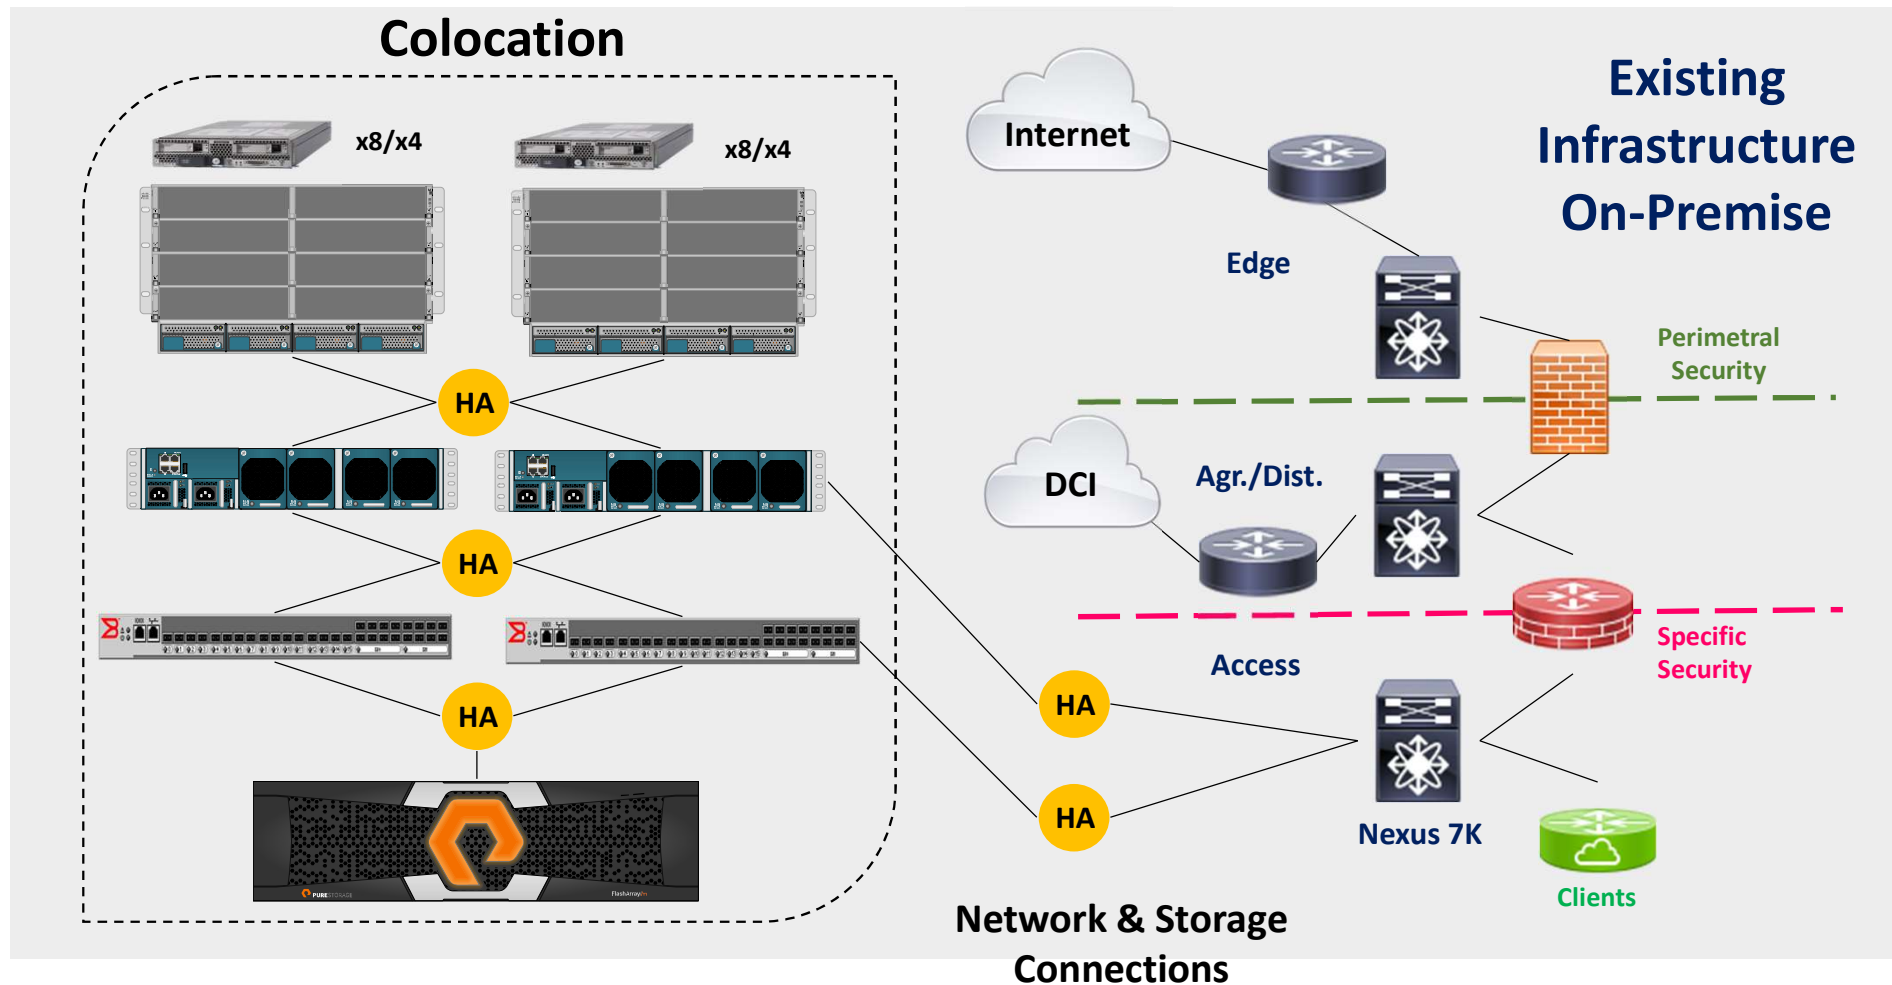

Bare Metal Disaster Recovery

Agenda

1. Portfolio & services
- 2. Architecture Integration**
3. Solutions Delivery Approach

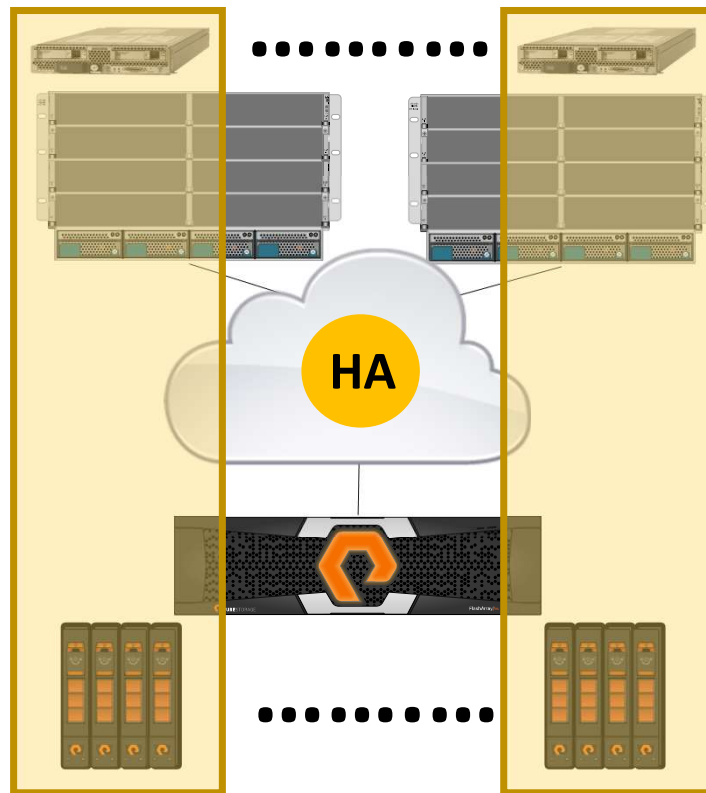

SOS/DH Architecture Integration

Agenda

1. Portfolio & services
2. Architecture Integration
- 3. Solutions Delivery Approach**

Solution Delivery Approach

**Private Cloud
Deployments**

Physical

SAP S/4 HANA

Virtual
